

TOOL ROOM & TRAINING CENTRE, GUWAHATI

BRIEF HISTORY

A survey was carried out through North Eastern Industrial & Technical Consultancy Organization Limited, Guwahati and based on that survey, it was proposed to establish a Tool Room & Training Centre at Guwahati to create facilities for manufacturing of tools & dies and for training in tool making and CAD/CAM as there was no Tool Room facilities neither there was no institution in North Eastern State providing training in Tool & Die Making but provide courses in other trades. Keeping in line with the policy of the Government to involve the State Governments the project has been designed with contribution from Govt. of India & Govt. of Assam. The Deed of Agreement was made on 17.07.2000 between The Director of Industries & Commerce, Assam, Bamunimaidam, Guwahati and The Member Secretary, Tool Room & Training Centre, Guwahati. As per the agreement the State Govt. of Assam had provided land, building and infrastructural facilities and the machines and equipment to be provided by Govt. of India. TRTC, Guwahati has been registered as Government of India Society under Society Registration Act, XXI, 1860 on 24th February 2000.
